# Memorandum

TO : AD/OEL

DATE: 9 March 1965

FROM : DAD/S&D

25X1A

SUBJECT: [REDACTED] 4205/65

25X1A

25X1A

George, note that the current contract is for [REDACTED] that an additional [REDACTED] is required and that a considerable extension of the engineering effort to reduce the size of the computer is on the horizon.

25X1A

In view of [REDACTED] views regarding this equipment, its extreme complexity as well as its expensiveness, I think that some resolution or at least the feelings of DD/S&T become even more pressing.
